

What We Will Learn This Week

Bible-

We will focus on the story of Jesus' birth.

Language Arts-

We will review the letters Qq by sight and sound this week. Our high-frequency words for the week are Jesus and to. Qq is our last letter to review. When we return in January, we will begin consonant blends.

Math-

We will finish the semester by practicing addition skills with some fun Christmas-related math activities.

Our counting goal for the week is 100.

Heritage Studies-

Christmas is such a wonderful time of year. We will focus on Christ's birth this week, as well as learn about various Christmas traditions. If you would like, feel free to message me, send a note, or even a picture of traditions in your family to share with the class.
