

## What We Will Learn This Week

### Bible-

We will continue to learn about the life of Jesus as he interacted with various people. We will attempt to memorize the Lord's Prayer for the next couple of weeks. Please help your student by reciting it at home a few times this week.

### Language Arts-

We will continue to learn digraphs this week, adding words with "ch" and "th." We will continue to work with words that contain "sh," focusing on reading digraphs as one sound.

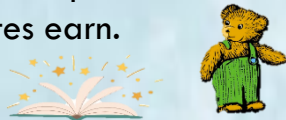

### Math-

We will continue our unit on subtraction within 6. We will also continue to practice counting sets and identifying more/fewer.

### Heritage Studies-

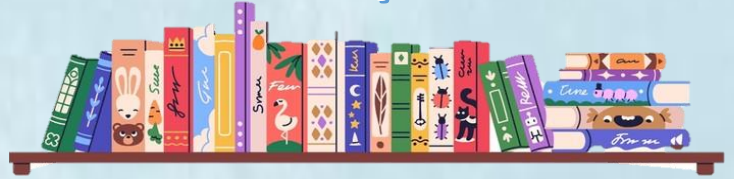

We will be reading about the Bonikowski family. The Bonikowski family followed God's leading to start a ministry in the Basque region in northern Spain. We will be learning about their culture and the beautiful landscape of the country they live in this week.

I love the winter Olympics! We will be incorporating it in our math, history, and geography lessons as we watch clips from the 2026 Winter Olympics and keep track of the medals our athletes earn.

# Tales From the Classroom

February 9-13

## Memory Verse

Matthew 6:9-13

After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. Thy kingdom come, Thy will be done in earth, as it is in heaven. Give us this day our daily bread. And forgive us our debts, as we forgive our debtors. And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Amen.

## Homework
