

Tuesday, April 14, 2026

Dear Parents:

The weather has been absolutely fabulous, hasn't it? I enjoy watching tulips and other perennials make their appearance adding color and cheerfulness to my world.

It is hard to believe that we have less than 28 days of school left. We have some very fun and important events coming up. Here's the line-up:

 **April 14-24:** This 10-day period is the testing window for the important ILEARN summative tests in grades 3-6. Please do not schedule any morning appointments for your child. Please have your children in bed at a good time and give them some breakfast in order for them to be at their sharpest!

 **May 1:** Field Day is a big highlight of the year for the students! The Raptors and the T-Rexes will compete in many games and activities. Watch for some special instructions in the next couple of weeks as far as what the students should wear and changes in drop-off.

 **May 5:** This is the day of the final Mileage Club Challenge with the theme, "Look What I've Achieved!" An A+ token will be given to students that accomplish five miles.

 **May 8:** Kindergarten Graduation and Preschool program at 7:00 pm

 **May 15:** The spring musical, *The Wizard of Oz*, with all 2-6 graders participating, is at 7:00 in the church auditorium. Tickets are available at <https://www.purplepass.com/events/373724-wizard-of-oz-may-15th-2026>
Please note that tickets will be more expensive when purchased at the door.

 **May 21:** This is the last day of school! We will have an Awards Program for the 1-6 graders at 7:00 pm in the church auditorium. Everyone will participate.

I hope that you have a good week and take time to notice the color of an emerging spring.

Mrs. Newton
