

4TH GRADE ROUND-UP MARCH 27, 2023

Reading:

While reading our novel this week, *The Secret of the Golden Cowrie*, we will work on increasing comprehension by using the questioning strategy. Good readers will analyze what they're reading by taking a moment to pause and reflect on the meaning of the passage, not only the words they're sounding out. The **vocabulary test** is next **Monday, April 3**. The students have their vocab list to study in their binders. The students will receive a journal in their Tuesday folder. **100 minutes** and the **journal writing** will be due next **Tuesday, April 4**.

English:

We will learn how to make subjects and verbs agree this week in English. We will also complete more iLearn practice for the tests the students will take next week.

Spelling:

There is no test this week. The next test will be **Tuesday, April 4** over **List 26**.

Math:

We will finish measurement, learn a shortcut for multiplying 10, 100 and 1,000 and use the Multiplication-Addition Principle.

UPCOMING Events

Tuesday:

Chapel
Mileage Club - 3:35-4:05

Wednesday:

Taekwondo - bring P.E. clothes and belt
(if you have earned one)

Thursday:

P.E. (need P.E. uniform)
Mileage Club - 3:35-4:05

(See the next page for photos of 4th
grade drawing
Chinese characters)

History: This week the students will continue in their study of ancient China. They will study Taoism and the Qin and Han dynasties. We will learn about the terracotta warriors, the Great Wall, and the invention of the seismograph. The students will be able to participate in a Great Wall building project.

Bible: We will continue our lessons on Joseph's life and focus on his brother, Judah, who had a change of heart. Judah's love for his father influenced how he treated Joseph's youngest brother, Benjamin, just as our relationship with God determines how we treat others. The **quiz for Hebrews 11:4** is **Friday**.

Science: The students will study erosion, the formation of a delta and compare the evolutionary explanation for bent rock layers to the biblical explanation.
