- **September 12<sup>th</sup>**- Early Dismissal (Carline @ 2:15)
- **October 2nd-6th**- Fall Break (no school)

### Math (Nash)

The **integer test is on Monday!** The rest of the week, we will be working on adding, subtracting, multiplying, and dividing decimals. Please keep studying multiplication math facts daily. The students that are struggling are those that don't know their basic math facts. If you need flashcards, let me know and I am happy to get you some!

### Science (Nash)

We will finish our study of earthquakes this week by learning about earthquake waves and how scientists measure earthquakes. There will also be a fun "earthquake activity" for the kiddos at the end of the week!

### ELA (Baker)

**Reading:** The students will read a hilarious autobiographical story about a Vietnamese family of brothers who are charged with taking care of their ornery younger sister. As we read, we'll analyze the mood and tone of the story.

**English:** We will springboard off of our reading story with the students writing their own autobiographical poems about fun/ funny family memories. I look forward to getting to know everyone even better through these poems!

**Latin/Greek Study:** The **test over Unit 2 will be on Tuesday, Aug. 18th.** Students will study the prefixes from **Unit 3 for Tuesday, Aug. 25th.**

### History (Newton)

The students will become acquainted with the personalities and events of the first permanent colony, Jamestown. We will also continue enhancing the students' map skills.

### Bible (Baker)

We begin Missionary Mondays this week! The students will meet a new missionary each Monday, see pictures of their families, learn about the location in which they're serving, be involved in writing encouraging notes, and pray for God to protect and use them in their ministries!

**Memory Verse:** Students will study Isaiah 40:30 this week. They will need to be ready to say verse 29 (last week's verse) and verse 30 for **Friday's verse quiz.**
