#### ***Classroom News***

Wow - only eight days left until the end of the quarter! We have much to do before then. This week will be shorter due to the E-Learning Day. We will have a spelling test, a Bible verse, and a Science and History test. Chapter reviews will come home a couple of days before the science and history test. Encourage your child to give their best to finish out the quarter in a good way.

For E-Learning day, your child will have their chromebooks to complete some assignments from me. A paper for you to sign will be included. These assignments aren't intended to take a long time to complete, but need to be done to receive credit for the day.

I really appreciate all your help in having your child complete these assignments.

\*\*\*\*\*

In chapel last week, our speaker asked us three questions about the gift of Christmas. Why do we need the gift of Christmas? What is the gift of Christmas? How do I get the gift of Christmas?

We have Christmas - because God sent Jesus for our sin problem.. Beciause of the goodness of God, Jesus died to pay the price for our sin and we just need to accept the gift he provides.
