

What We Will Learn This Week

Bible-

We will continue to follow Peter as he proclaims the gospel message to all those around him, even when it lands him in prison.

Language Arts-

We will learn about y as a vowel at the end of words this week. When y is at the end of a one-syllable word, it says the long /i/ sound (my, try, why). When y is at the end of a two-syllable word, it says the long /e/ sound (sunny, windy, rainy).

In handwriting, we are working on capitalizing the first word in a sentence and the word I.

Math-

Calendars are an important tool to keep track of important days, appointments, and stay organized. We will incorporate our unit over calendars with our unit on the four seasons.

Heritage Studies-

Fall is probably my favorite season. I love the display of God's handiwork with the changing colors during these months. We will finish up our unit on the seasons with fall this week.
