Dear Parents:

If anyone has ever told you to "Go fly a kite!" you would definitely be in good company. Famous Americans such as Benjamin Franklin and the Wright brothers used kites for discovery and research. To most, though, it is a springtime hobby. We sure have had enough blustery weather lately to make it a success in Indiana!

Events blowing your way include:

May 1: Field Day is a big highlight of the year for the students! The Raptors and the T-Rexes will compete in many games and activities. Watch for some special instructions next week as far as what the students should wear and changes in drop-off. Please pray for warm weather as there are water activities planned.

May 5: This is the day of the final Mileage Club Challenge with the theme, "Look What I've Achieved!" An A+ token will be given to students that accomplish five miles.

May 8: Kindergarten Graduation and Preschool program at 7:00 pm

May 15: The spring musical, *The Wizard of Oz*, with all 2-6 graders participating, is at 7:00 in the church auditorium. Tickets are available at <https://www.purplepass.com/events/373724-wizard-of-oz-may-15th-2026> Please note that tickets will be more expensive when purchased at the door.

May 21: This is the last day of school! We will have an Awards Program for the 1-6 graders at 7:00 pm in the church auditorium. Everyone will participate.

Have a great week, everyone! Warm winds are on the way!

Mrs. Newton
