March 23 - 27 - Spring Break

Thank you for encouraging your child's reading for the Read-a-thon. I hope this encourages them to keep reading in their free time.

I trust you found the information about the weather reports in your child's folder on Friday. This is the biggest project we do in our class, and is always fun to observe. The reports are due on Wednesday, March 18. You are allowed to help them prepare and get ready for the report. If you have any questions, please feel free to ask. Have a good time working on this with your child.

We will be having our normal spelling list and verse as well as a math test this week.

Star of the Week

This week our Star of the Week is Carmyn. Carmyn works hard in class to learn all she can. She enjoys school and being with her friends.

I will name a new Star on Wednesday.

What We're Learning In Class

Reading: We are reading stories while working on reading skills.

Phonics: We just finished a unit in phonics with various vowel patterns. We will continue to work with them in the next unit.

Bible: We are still learning about Satan our enemy and the armor God gives us.

Math: We will be finishing the chapter about solid shapes this week.

Science: We are continuing to learn about the weather.

Social Studies: We will be starting a chapter about our country.

Handwriting: Continuing to work on letters – to be more legible

Reminders

There will be chapel this week.

There will be mileage club this week.

Reminder - students need to have their PE clothes for mileage club.

We are looking forward to learning about another name of God this week in chapel. It has been exciting to find out different characteristics of God through His names.

Remember, even the smallest clue can be the key to solving a big puzzle.

Verse and Bible Truth

Ephesians 6:14 "Stand therefore, having fastened on the belt of truth, and having put on the breastplate of righteousness."

Who is stronger, God or Satan? God is stronger.
