

What We Will Learn This Week

Bible-

We will be learning about some amazing people this week as we move into the prophets of the Old Testament, including Elijah and Daniel.

Language Arts-

We will review the letters Rr and Jj by sight and sound this week. Our high-frequency words for the week are of and put. We will continue working on decoding and reading fluency as we continue adding letters each week.

Math-

We will begin a unit on money this week, and learn to identify coins and the dollar bill.

Our counting goal for the week is 80.

Heritage Studies-

I love visiting zoos around the country. Each zoo contains different animals that we would probably never see in the wild. It always amazes me the variety of animals God has created. Their features speak to God's amazing power and might.

Tales From the Classroom

December 1-5

Memory Verse

Isaiah 43:11

I, I am the Lord, and besides me there is no savior.

Homework

Monday- Read "A Lap"
