12/2- Mileage Club

12/4-12/5- Weekly

Assessments

12/18- End of 1st

Semester

12/19-1/4- Christmas
Break

REMINDERS:

This week, the students will dive into division. They will learn and master several strategies to solve a division problem. Please ask them daily what they know and go over the basic facts with them.

Recess: If the temps are above 40 degrees, we will go outside. If not, we play in the gym. Please always have your child bring the proper winter gear in case we do go outside.

WE ARE LEARNING:

Math- Division

Reading Story- Candy Canes

Learning Skills-

Context Clues, READ Strategy, Main Idea, and more

English- Similes & Metaphors

Spelling- Syllables

Science- Plant

Reproduction (Test on Friday)

ACTIVITY AT HOME:

December Reading logs- coming home in the green folder.

IXL- I have assigned division practice for support.
