

## What We Will Learn This Week

### Bible-

We will continue learning about the miracles of Jesus, focusing on his compassion for those he healed, including the story of the four friends who had so much faith that they carried their friend to Jesus and lowered him through the roof to be healed.

### Language Arts-

We will continue decoding words with consonant blends this week, focusing on words with r and l blends. We will also continue building reading comprehension skills.

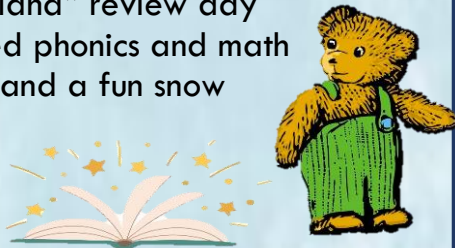

### Math-

We will continue to count larger groups of objects and build our understanding of place value, focusing on breaking double-digit numbers into groups of tens and ones.

### Heritage Studies-

Rivers and lakes are a vital part of the ecosystem. We will learn about the importance of rivers and lakes and what we can do to take care of them.

On Tuesday, we will have a special "Winter Wonderland" review day With snow-themed phonics and math Review activities and a fun snow Science activity.

# Tales From the Classroom

January 26-30

## Memory Verse

**Matthew 8:27**

**And the men marveled, saying, "What sort of man is this, that even winds and sea obey him?"**

**Matthew 12:15**

**And many followed him, and he healed them all.**
