

What We Will Learn This Week

Bible-

We will continue to follow the story of Abraham with the birth of his son, Issac.

Language Arts-

Our focus will be on the letters T, S, H, N, I, and our new letter, W. We will be focusing on developing decoding skills as we learn new word families using the letter sounds we know. Our first high-frequency words are is, she, and here.

Math-

We will continue working on learning to count sets and match them to their corresponding number. We will focus on 0-5. Our counting goal for the week is 30.

Heritage Studies-

We continue learning about community helpers this week. While we may not use the post office as much as we used to, it remains an important part of our community.
