ACTIVITY-AT-HOME:

Please continue to go over what your students bring home on Fridays. If they even get one problem wrong on an assignment, going over it is essential.

If students do not have all of their work turned in on Fridays, they do not get to participate for Fun Friday. This time instead is used for finishing their work.

I still have a couple of students who do not bring home their work at all and it piles up at their desk. This is not acceptable. Please remind your child of their responsibilities in school.
