Awards Program

This week should be another week of normal. We will have a spelling list and a verse. We will also be having a Math test on Tuesday. Thank you so much for helping your child to be prepared for their work in class. Homework is being turned in and grades in spelling are getting much better. We work hard on spelling words and the verse in class, but added review and practice at home for each of those helps.

As the days are getting warmer and we get to go outside more, the tendency to to get a little lazy and not give our best takes hold. I have encouraged the children each day, school issn’t over and we still have things to do and to learn. Encourage your child to continue to give their best.

Star of the Week

This week our Star Student was Aubree. Aubree. Aubree is a sweet girl with a ready smile. She works hard in class and can be counted on to make good choices.

Verse and Bible Truth

Hebrews 4:15

“For we do not have a high priest who is unable to sympathize with our weaknesses, but one who in every respect has been tempted as we are, yet without sin.””

Did Christ ever sin??

No, Christ was holy, sinless, and undefiled.

Reminder - students will need to wear PE clothes for mileage club this week.

This past week in chapel we learned the name Kadosh for God which means holy. Holy means set apart for a special purpose. Of course we know God had a special purpose for Jesus to be the Savior. He was the only one who could. He calls us to be holy - to be set apart to please God in our lives.
