

What We Will Learn This Week

Bible- Years have passed since Joseph moved his family to Egypt. All hope seems lost as the Israelites are now slaves in Egypt, when God raises up a man named Moses. We will learn about the early life of Moses this week.

Language Arts-

Our focus will be on the letters Bb and Pp this week, adding new word families to our reading list. Our high-frequency words are love and my.

Math-

After a review of identifying numbers 1-10, we will move on to classifying objects.

Our counting goal for the week is 40.

Heritage Studies-

We will begin a new unit this week titled "Bookshelf Friends." We will be learning about various types of books during the next few weeks. We will start with the most important book written, the Bible.
