

# News From the Reef

March 31- April 4

## What we are exploring

this week

### Bible

We will continue to follow Peter as he proclaims the gospel message to all those around him, even when it lands him in prison.

### Language Arts

We will learn about y as a vowel at the end of words this week. When y is at the end of a one syllable word, it says the long /i/ sound (my, try, why). When y is at the end of a two syllable word, it says the long /e/ sound (sunny, windy, rainy).

In handwriting, we will continue to focus on writing letters neatly in the lines and writing sentences correctly.

### Math

As we continue to practice addition, we are learning how to take apart numbers between 7-10 and show how to add them in more than one way. (example  $1+9$ ,  $2+8$ ,  $3+7$ , etc.)

### Heritage Studies

I have enjoyed listening to the birds sing and watching them gather supplies to make their nests. We will be learning about birds and other animals and their behaviors during different seasons.

### Homework

Monday- No homework

Tuesday- Individual reading assignments, please see red folder

Thursday- Individual reading assignments, please see red folder

## Bible Verse and Question for the week

2 Peter 3:9

The Lord is not slow to fulfill his promise as some count slowness, but is patient toward you, not wishing that any should perish, but that all should reach repentance.

## Important Dates and Reminders

**Welcome back! We will hit the ground running this week. Our last map growth assessment of the year will be on Wednesday and Thursday morning. Please do not make any appointments on these days.**

# Kindergarten Fun

Taking turns reading to each other

We had a virtual visit with our buddy.
