Chapel Chatter

We will be resuming our regular chapel schedule this week. It's one of our favorite times of the week.

Classroom News

We got off to a good start last week after being off for a couple of weeks. Thanks for all you do to help your child be prepared for school.

I'm sure your child has mentioned that our class has grown. We have three new students - Natalie, Brienna, and Charity. They are fitting in nicely with the rest of the class.

We also have a college student observing in our class. She will be here at least another week. She's learning to be a teacher, so I'm giving her some opportunities to work with the students in various ways.
