## CLASSROOM PROCEDURES

I will be using Class Dojo for recording positive student behavior. Students may use their positive points to earn and redeem Classroom Coupons throughout the week. I will be using a Logical Consequence system for discipline. Students will receive a logical consequence for the behavior that needs to be corrected. Instances that require discipline will be opportunities to connect with your child and teach them about the love of Christ.

## COMMUNICATION

All parents/guardians have access to Class Dojo, where they can see classroom photos and updates. Please do not hesitate to communicate with me either on Class Dojo or through email at [pelmer@burgeterrace.org](mailto:pelmer@burgeterrace.org). I will do my best to get back to you as soon as possible.

## HOMWORK

Student assignment pads will be sent home every Monday, Tuesday, and Thursday and must return the following day. **Daily assignment pads must be signed by the parent/guardian each night after completing the assignment.** Homework will include 10 minutes of reading each night and requires a Reading Log to be filled out. It may also include test study, math review, or writing assignments.

## NEWSLETTER

Our class newsletter will be emailed to you and put in your child's homework folder every Tuesday. This newsletter will include important reminders for the week, test and quiz schedules, a weekly spelling list, and weekly Bible memory verses.

## WATER BOTTLES

Your child may bring a water bottle to leave at school and use throughout the day. The school will not be supplying water bottles this year. If your child does not have a water bottle, they will only be able to use the water fountains.
