Dear Parents:

It is hard escaping “racing fever” if you live in Indianapolis during May. For you dissenters it must seem like a lot of hoopla over a bottle of cold milk. But considering the cars are capable of speeds of 236 mph while moving around an oval, it’s no wonder it’s called “The Greatest Spectacle in Racing.” The 3.66 million dollar purse isn’t too shabby, either.

I think some of that excitement has spilled over to our BTCS students. There is definitely something electric in the air besides the power lines. They can smell the end of school, I think!

The cast of *Matilda, Jr.* did such a fantastic job last Friday night. I was so proud of them! You will want to capture these once-in-a-lifetime memories by purchasing photos of the dress rehearsal and the performance taken by photographer, Brooke Sweeney. Once we receive the flash drive of the edited photos, we will send you an email about how to receive them. Please be watching for that, even though it is summer time!

Our 180<sup>th</sup> lap of school is Thursday! Dismissal is at the regular time.

Our annual **Awards Night** is this Thursday at **7:00 pm**. The students need to be dressed in “assembly attire.” Please plan to arrive no later than **6:30** so we can be organized and begin when the green flag is waved. You will be delighted to see and hear what the children have achieved this year!

The **uniforms** will be placed on tables in the church foyer for Thursday night’s program. Please check out what’s there to see if the items can help you outfit your child for next year. Also, please bring in clean and gently used uniforms for others to use.

There are also several **Lost and Found** items on a table. Please take a careful look at these things as all unclaimed pieces will be donated.

Final progress reports will be mailed out on June 4<sup>th</sup>. Please be reminded that report cards are held until the tuition balance is paid in full.

You will soon be receiving an email in the future regarding the ILEARN testing results for the 3<sup>rd</sup> through 6<sup>th</sup> grade students, along with deadline information on the re-score window.

You will also receive pertinent information in early July concerning the new school year. Please keep an eye on your inbox around that time.

So, we are heading swiftly to the finish line and can see the checkered flag waving. It has been a year of victories and blessings, for sure. Thank you for being a part of that! Have a wonderful summer and I hope to see you soon!

Mrs. Newton
