Dear Parents:

It is hard escaping “racing fever” if you live in Indianapolis during May. For you dissenters it must seem like a lot of hoopla over a bottle of cold milk. But considering the cars are capable of speeds of 230 mph while moving around an oval, it’s no wonder it’s called “The Greatest Spectacle in Racing.” The 2.5 million dollar purse isn’t too shabby, either.

I think some of that excitement has spilled over to our BTCS students. There is definitely something electric in the air besides the power lines. They can smell the end of school, I think!

Our annual **Awards Night** is this Thursday at **7:00 pm**. The students need to be dressed in “assembly attire.” Please plan to arrive no later than **6:40** so we can be organized and begin when the green flag is waved. You will be delighted to see and hear what the children have achieved this year!

Our 180th lap of school is Friday! There is a **2:15 dismissal** with no after school care provided for grades 1-6. If you have a student in K3-K5, it is essential that you notify us that your child will be staying in after care.

The **uniforms** have been placed on tables in the church foyer by Door 3. Please check out what’s there to see if the items can help you outfit your child for next year. Also, please bring in clean and gently used uniforms for others to use.

There are also several **Lost and Found** items on a table. Please take a careful look at these things as all unclaimed pieces will be donated.

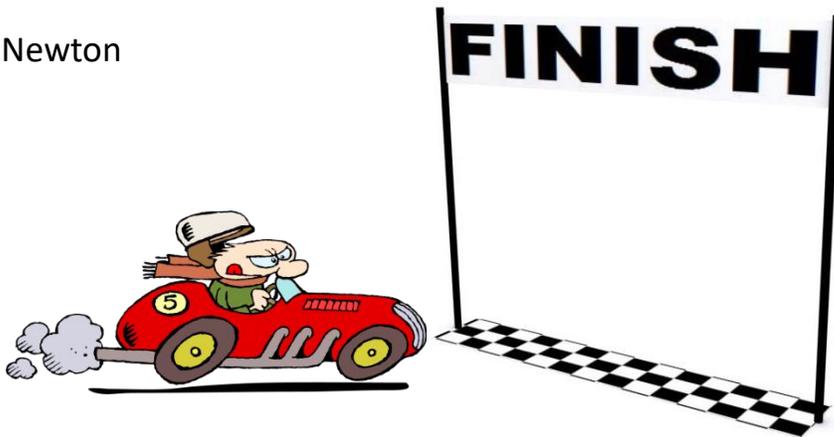

All BTCS students are welcome to attend our church's Backyard Bible Clubs which will occur the week of June 10-13. For additional information and sign-up, please go to burgeterrace.org. I know your child would have loads of fun!

So, we are heading swiftly to the finish line and can see the checkered flag waving. It has been a year of victories and blessings, for sure. Thank you for being a part of that! Have a wonderful summer and I hope to see you soon!

Mrs. Newton

Have a great

Summer
Vacation!
