## Hear Ye, Hear Ye!

### General Information:

The second quarter is wrapping up, and Christmas is almost here. Students will be busy these next two weeks in preparation for the end of the quarter assignments and assessments. Please make sure they are getting their work done and turned in on time. First, the **Carol Sing** is coming up on December 13<sup>th</sup>. Second, we have less than three weeks until **Christmas Break**. Third, the **Mileage Club Challenge** is December 17<sup>th</sup>. Fourth, we would love to have the students involved in **brightening Mrs. Woods' day** this year. She is still recuperating from her stroke and would benefit greatly from some encouragement. If the students could bring in a small item by this Thursday, that would be great! Here are some ideas: chocolate of any kind, Reese cups, Chapstick, lotion, wordfinds, pens, gum, fuzzy socks, etc. She's been such a blessing to us. Please help us return the favor! Have a wonderful week!

### Upcoming Assignments:

- **4<sup>th</sup> grade Bible:** Students will memorize Luke 1:32.
- **4<sup>th</sup> grade history:** This week, students will learn about the rise of the Ottoman Empire and the Thirty Years War. They will have a quiz on Monday.
- **4<sup>th</sup>/5<sup>th</sup> grade science:** Students continue to learn about matter. They have a quiz next Monday.
- **5<sup>th</sup>/6<sup>th</sup> grade history:** Students continue to learn about the changes that took place during the Reconstruction Era.
- **6<sup>th</sup> grade science:** Students continue to learn about matter. They will have a quiz next Monday.

Hear Ye, Hear Ye!

## 4<sup>th</sup> Grade Math Message

This week 4th grade will be finishing up our first multiplication chapter and if time permits, doing a fun STEAM Activity involving feeding puppies (not real ones)!

5th grade will work on fractions and do some probability problems with dice and/or marbles

Both grades will have a test on Wednesday.

Christmas Break is almost here!

~Mrs. Rejko

## Language Arts A note from Mrs. Baker

### Reading

4<sup>th</sup>: This week we will work on the skill of inferring- gathering details and clues to make an evaluation. The students will make a prediction of who they think has stolen the Golden Cowrie.

5<sup>th</sup>: The students will continue to analyze the Tal-Omega and other science fiction stories and video clips. They will compare and contrast their findings in all three selections.  
\*Reading Journals are due on Tuesday!

### English

4<sup>th</sup>: The students will take their English test on Monday. If you would like to review the concepts with your child, the chapter review is in his/her English folder.

5<sup>th</sup>: The students will work on their written responses from Reading time.

### Spelling

4<sup>th</sup> & 5<sup>th</sup>: Test on Tuesday
