

The Peanuts Papers!

Hear Ye, Hear Ye!

General Information:

The Fifth and Sixth graders had a fun field trip last week to see a play about the Underground Railroad. Can you believe that February is almost over? Just a few reminders for this week. Please make sure that your child is coming to school in the **proper uniform** each day. We have had students that are not prepared for chapel, gym, Tae kwon do, or mileage club because they are missing either their chapel shoes or PE clothes. Also, please make sure to check your child(ren)'s **assignment pads** to ensure they are completing all their work on time and bringing it with them to school. In addition, **please make sure your child arrives on time** each day to school. Arriving late disrupts class and puts unnecessary stress on children to remember everything to bring to class without proper time to get ready. Have a wonderful week!

Upcoming Assignments:

- **4th grade Bible:** Students will learn about the death and resurrection of Jesus. They will memorize John 20:31 for Friday.
- **4th grade history:** This week, students continue to learn about the battles of the Revolutionary War.
- **4th/5th grade science:** Students are preparing for a test on Friday over Chapter 5.
- **5th/6th grade history:** Students are continuing to learn about Chinese Americans' struggle to integrate into American society. They will also learn about women's suffrage.
- **6th grade science:** Students are preparing for a test on Friday over Chapter 5.

Upcoming Events:

- Mileage Club- T/F
- Tae Kwon Do- W
- PE- Th

The Peanuts Papers!

Hear Ye, Hear Ye!

4th Grade Math Message

Because of Map Growth we will only have three days of class, but we will forge ahead onto the very practical Chapter 10 - Measurement. It would be a plus if sometime in the next week or so you could have your 4th grader measure a few objects around the house. Also, when you are driving, they may want you to let them know the beginning and ending of a mile on your odometer!

Have a blessed week!

~Mrs. Rejko

Language Arts A note from Mrs. Baker

Reading

4th & 5th: This week and next we will research famous African Americans. Fourth grade will write informative essays based on the American they are studying while fifth grade will research inventions these Americans have designed to make our lives easier. The fifth graders will write a persuasive essay from the inventor's perspective to promote their inventions.

*Reading Journal due Tuesday

English

4th & 5th: During our English time we will complete our MAP testing. Please make every effort to have your child at school this week!

Spelling

4th & 5th: Test on Tuesday
