Summer Is Around the Corner!

The school year is winding down as we are in the last five days of school. First as a reminder, there will be **no PE or Tae kwon do** this week. Second, the annual **Award's Ceremony** is this Thursday, May 23rd at 7:00 p.m. Third, the **final day** of school is May 24th. There will be an **early dismissal** on this day at **2:15**. No aftercare will be provided; therefore, please make sure to pick your child up on time in carline. Fifth, grades will be finalized over the next few days, so please make sure your child has completed and turned in everything that has been assigned up to this point. You can check **School Insight** to see if your child is missing any assignments. Thank you for your support this year. It has been invaluable. Have a wonderful week and great summer break!

Upcoming Assignments:

- **4th grade Bible**- Students will finish a unit on Peter and God's use of his life.
- **4th grade history**- Students are finishing their medieval history lessons this week by talking about Henry V, the War of the Roses, and Richard III.
- **4th grade science**- Students continue to learn about the digestive system.
- **5th/ 6th grade history**- Students will finish the year with a continuation of a mini unit on WW2 just for fun as it is a fascinating time period in American history.
- **5th/6th grade science**- Students will review concepts they learned over this past unit on astronomy.

Upcoming Events:

- Award's Ceremony- May 23rd
- Last Day of School- May 24th

4th Grade Math Message

I have really enjoyed working with 4th grade this year. Have a great summer!

~ Mrs. Rejko

4th Grade Language Arts

A note from Mrs. Baker

Language Arts

Reading:

-We will finish reading *Tirzah* this week and share the character people the students have been working on. We have our final oral reading assessments on Monday. While I'm assessing the students, they will have DEAR (Drop Everything And Read) time. They are welcome to bring a blanket or pillow to use during this time. This will give the students opportunity to gain more Explorer Bucks for the upcoming auction on Wednesday.

Party Day: The fourth graders have finally earned enough party points to have an outside party reward! Weather permitting, we will have our party outside after lunch on Tuesday. Great job turning in homework and exhibiting good behavior, fourth grade!

Reading Journal: The optional reading journal is due on Tuesday. No written journal is required. A parent must sign the journal/notebook paper in order for their child to receive payment for the minutes they are reading.

Summer Reading Journal: I've had multiple students ask me about having a Reading Journal over the summer. To a reading teacher, this is the best question I could ever be asked, so I can't hardly refuse to provide this opportunity! Please see the attached form the students will use for their summer reading. They will also have a paper copy to bring home in their Tuesday folders. If the students need extra charts, you may print off the attached copy. The details are also clearly stated on this copy!
