BTCS Summer Reading Log:

Get ready for SUMMER READING

Did you know that when children don't read over the summer they are likely to fall behind when they head back to school? These learning losses are often called the "Summer Slide," so join me in making it a priority to keep our students' skills sharp by encouraging them to read all summer long!

Please encourage your child to read this summer. This is a fun way for them to expand their horizons, practice their reading skills, and even get "paid" in Explorer Bucks!

Objective: Earn "BINGO" by completing the tasks within 5 connecting squares (diagonally, horizontally, or vertically) **AND** reading at least 20 min when the square indicates "Total min:"

Reward for earning BINGO: **30 Explorer Bucks** (You may earn BINGO as many times as you want as long as you satisfy the requirements in each square.)

Bonus money for completing squares with blue, red or green tasks:
Blue: Extra 5 EBs per blue square
Red: Extra 10 EBs per red square
Green: Extra 15 EBs per green square
*Any minutes read above the required 20 min. will earn you 1 EB for every 10 min. read.

If you fill up the entire chart, you are welcome to start on the second one. Feel free to copy the chart before you begin reading incase you think you'll fill up more than two!

Bring your reading chart(s) back on the first day of school to receive your payment for all of your hard work over the summer! Remember to complete **all** of the tasks/questions within each square in order for it to count toward one of the five BINGO squares.

Have a great summer and happy reading!
