

# News from the Jungle

Week of March 27th, 2023

## Note from the Teacher

Beep! Beep! Beep! Beep!  
Oh, I have to get up now! I was in such a deep sleep!!! Yes, it is time to get our lazy bones out of bed and get busy again after a nice break.

The pictures are from our hunt to find the Gingerbread Man who we caught and ate when we found him. We also ate our cone shape, really a Drumstick ice cream treat. I told you I would use any excuse to eat ice cream. This week's theme is on the plant life cycle and the animals ducks, fish, and turtles. Have a great week.

## Science

Our weather with all the rain is perfect for our theme this week since it's all about ducks, turtles and fish. We also look at the life cycle of plants and how things like vegetables grow. So if your children come home covered in some dirt you will understand why!

## Handwriting

Boys and girls, look who comes to visit us. It is none other than Nellie Nightingale, Debbie Fox, Yezzie Yak, Zebby Zebra to help us with letters N, X, Y, and Z.

## Pre-Reading/Language Arts

We begin the week with a group exercise using only white and brown paper using our imagination as to what objects we can make with them tearing the paper. Some monkeys named Ub and Uzzy join us to tell us about letter U and their sound. Finally, Dr. Vin, who is a veterinarian will assist us in helping his patients learn about the letter V. It sounds like we are going to have lots of visitors in our class helping us learn so Mr. Newton might have to get us more chairs!

## Math

Five baby ducklings are going for a swim and we will learn about subtraction and see if they all safely return to their mother. Later this week we are counting from one through twelve with some frogs. We also get to visit Mr. McGregor's garden to see if he has enough containers for planting some seeds.

## Bible

On Monday and Tuesday, we explore two parts of the story of missionary Adoniram Judson Keeps God's Word Safe. Wednesday's story is Showing Respect in Church. Thursday's Bible story is Jesus and the Money Changers from Matthew 21:12-13, and Friday is Solomon's Temple from 1 Kings 5-8 We continue with the verse Exodus 20:12a.

## Social Studies

There are no lessons this week.

## Important Dates

Good Friday April 7th No School
