hardens his heart
will fall into
hardship."

A Message to Parents:

Happy Monday!

Hope everyone was able to have a restful fall break! We are gearing up for a super fun week that ends with our field trip! I know the kids are getting super excited. Please remember to have your child's carseat at the school by 9:00am if they are riding on the school van. They may wear t-shirts, jeans, and tennis shoes. We will have matching t-shirts for them all to put on over their clothes. If you are attending as a parent, we will be leaving promptly at 9:15. See you then!
