## A Message to Parents:

Hello All!

Happy short-week Monday! I hope you all were able to enjoy the beautiful, cooler weather we had this weekend! I am praying that it sticks around for our long weekend and fall break! We are out of school this coming Thursday-Monday. Classes will resume next Tuesday. If your child is only part time and will be missing a day because of the break, please feel free to bring them whatever days work in your schedule and let me know when they will be here to make sure you are getting the number of days that they normally come.
