14. supplies
15. cloudier
16. bumpiest
17. wisest
18. flatter
19. guide
20. guard

Classroom News

I trust you all had a wonderful Easter celebrating our risen Savior!

In Bible, we will continue to learn about the seventh commandment and how to have pure thoughts, words, and actions. In math, we will start our new chapter over geometry. In English, we will write the final draft of our friendly letters. In science, we will learn about motion and work. In history, we will fill out an Indiana state notebook.

There will be chapel this week, so please remind your third grader to pack their chapel shoes. I still have a few students that do not consistently pack their chapel shoes. There is mileage club after school this Tuesday. This Thursday is the April mileage club challenge. The students are encouraged to wear rain gear, and the goal is the run 4.5 miles.

The school office has already sent an email, but just a reminder that there is no school Monday, April 8, due to the amount of traffic Indianapolis will have that afternoon. Eclipse glasses will be sent home with the students on Friday so that they can use them from home.

Report cards will be sent home in tomorrow's Tuesday folder.

Lastly, next Wednesday, the third graders will have another state practice test. This test is called iLearn, and it is very important that they are here for the practice test next Wednesday.

Quizzes and Tests

Monday, April 1 - Math test over division

Friday, April 5 - Verse quiz over Psalm 119:9

Friday, April 5 - Spelling test over list 26

Upcoming Events

April 4 - Mileage Club Challenge (rain gear)
