HISTORY & SCIENCE

Mrs. Newton & Mr. Lawson

5th/6th History: Our history class will focus this week on several important governmental areas. The students will learn about the three branches of government, checks and balances, the Bill of Rights, and the Articles of Confederation vs. the Constitution. We will add the timeline event of the invention of the cotton gin by Eli Whitney in 1783.

5th/6th Science:

We will continue our study on first, second, and third class levers with the students being involved in hands-on activities. Also, the students will be introduced to different pulley systems.

Tuesday- 3/28: Chapel (Students need to wear chapel shoes and Chapel attire.)
-**NO** Spelling/ Latin and Greek Tests
-Reading Journals will come home in Tuesday Folders. 100 min and journal writing prompt #1 is due **next Tues., 4/4.**
-Mileage Club - 3:35-4:05

Wednesday - 3/29: Taekwondo - bring P.E. clothes and belt (if you have earned one)

Thursday- 3/30- PE (need PE uniform)
-Mileage Club- 3:35-4:05

Friday - 3/31- Library (Bring books back each week, even if only renewing.)

Required iLearn Practice Tests:

Please make every effort for your child to arrive no later than 8:15 on these days: April 5th-6th

Good Friday: No school, April 7th

READING & ENGLISH

Mrs. Baker

Reading: We will finish reading our novel, *A Wrinkle in Time*, this week. The students will identify the themes and work on mapping out the plot, analyzing important events in the story.

Vocab Test: Next Monday, April 3rd

English:

5th & 6th: This week, the students will use English time to write their responses to the assignments for *A Wrinkle in Time*. We will also complete more online iLearn practice.

Bible Message

Mr. Lawson

5th & 6th: The students will continue to follow the life of Christ with His arrest and trial. The students will identify the motive behind the trial and identify that the reason Jesus allowed the religious rulers to falsely accuse Him was part of the redemption plan for our salvation.

Bible memory: Hebrews 11: 6

Math Message

Mr. Newton & Mrs. Rejko

5th Grade: This week we will study improper fractions, make bar graphs, use estimation, and find the reciprocal of a whole number or a fraction. The next test is scheduled for **Wednesday, April 5th.**

6th Grade: We begin the week by graphing functions. We then focus on geometry by discussing transversals and the sum of the angles in various closed figures. At the conclusion of the week we will add positive and negative integers.

LEARNING IS FUN!

Making the sweet character, Aunt Beast, from *A Wrinkle in Time*
