READING

We begin our novel study on *A Wrinkle in Time* this week. This is one of my favorite books. It portrays such a wonderful picture of spiritual warfare and how important it is for us to be grounded on the truths and principles in God's Word.

MATH MESSAGE

From Mrs. Rejko

Many thanks to everyone for your cards and gifts this Christmas. It is a joy to be a part of the BTCS family and to partner with you all in the education of your children. I really appreciate your thoughtfulness. This week 6th grade will do some geometry classifying quadrilaterals. They will also work with fractions and learn how to write the prime factorization of a given number and use division by primes and factor trees. Their next test will be on Wednesday, January 15th. Have a blessed week!

Fun at our Christmas party day!
