## 9/11 Museum Virtual Field Trip

On Thursday the students will have the opportunity to attend a virtual field trip through the 9/11 Museum in New York. A tour guide will lead the 3rd-6th graders, in real-time, through the many exhibits, memorabilia, and tributes dedicated to those who lost their lives on September 11, 2001. The students will view this in the auditorium on the big screens and will have an opportunity to even ask the tour guide questions. We're so excited to provide this unique experience our students!
