Classroom News

I am so pleased with all the third graders' progress that they have made so far this semester! I have especially seen growth in the students' understanding of addition and subtraction concepts the past couple of weeks!

I only have a few announcements for this newsletter. Fall break begins on Thursday of this week! School will not resume until the following Tuesday, September 29. I hope your child is able to relax and enjoy his short time away from school during fall break!

I will be sending home Tuesday folders tomorrow, so make sure to glance through your child's work to see his/her progress that he/she has made. Mileage club will also take place tomorrow starting at 3:30.

If you have any questions about this week, do not be afraid to ask! I am always available to help! 😊
