## *Updates/Reminders*

What an amazing phenomenon we were able to experience last week. It was amazing how quickly it got light after the darkness. That once in a life time event, reminds me how much thought God took to create the world. This Friday, second grade will be going a field trip to Conner Prairie. The school will provide sack lunches for the students. The dress code is the students Burge Terrace Christian School PE shirt with jeans. Please make sure the students also wear tennis shoes as we are going to be doing lots of walking.

## *Tests / Quizzes*

**Thursday**– Spelling Test and Verse Quiz

## *Memory Verse*

**John 5:14**

And this is the confidence that we have toward him, that if we ask anything according to his will he hears us.
