Updates/Reminders

It was such a beautiful week for the students to play outside. Each day the class was able to be outside to soak up some vitamin D. The students had such a wonderful time at Conner Prairie on Friday. They had so many questions for the actors that were there. It was amazing to see their minds connect the dots to all that we have been learning in history. This year has gone so fast and been so fun! Hard to believe we only have a few more weeks.

May 3– “Once Upon a Field Day”

Tests / Quizzes

Wednesday– Math Test

Friday– Spelling Test and Verse Quiz

Memory Verse

John 5:14

And this is the confidence that we have toward him, that if we ask anything according to his will he hears us.
