Carol Sing, end of 1st
semester, last day before
Christmas break.

Mystery is my game and
solving it is my aim!

Star of the Week

Our Star of the Week was
Aubree. Aubree is a hard worker
and tries to give her best. I
always enjoy her sweet smile.
Congratulation Aubree!

Classroom News

It is so hard to believe that we are
about to the middle of November.
This year is going by so quickly. I
am encouraged by the growth in
the students. Overall they are
hard workers, but there are times
they get a little careless.

Encourage your child to give their
best in all they do.

This should be a regular week of
homework. We will have a verse
and a spelling test. We will be
having a test in math and
preparing for a test in science
which we will take next week.

Please encourage your child to be
reading the book in their RED
folders. If the book is too hard,
just sent it back and I will change
it.

What We're Learning Next Week

Reading: We are reading stories while working on reading skills.

Phonics: We are continuing to work on long vowel sounds.

Bible: Romans 11:33 - God knows all things.

Math: We are still working on telling time on an analog clock.

Science: Learning about our human bodies

Social Studies: Working on ggods/services

Handwriting: Continuing to work on letters – to be more legible.

Reminders

We will have chapel this week.

There will be Mileage Club on Tuesday.

Please send your child with a jacket. We will go outside if the temperature is above 40 degrees.

We finished the story about Hudson Taylor this past week. It was exciting to learn about his commitment to the people in China. The students were encouraged to share the good news with others.

1. Verse and Bible Truth

Romans 11:33

"Oh, the depths of the riches and knowledge of God! How unsearchable are his judgements and how inscrutable his ways."

Does God know all things? Yes, God knows all things.
