

## What We Will Learn This Week

### Bible-

We will finish out the year by reviewing the fruits of the Spirit this week.

### Language Arts-

We will finish out the year focusing on reading comprehension. Asking simple questions about stories the students read is a great way to build comprehension skills. There are a few comprehension pages in the Tuesday folder that are a great example of the types of questions to you can ask to build comprehension.

### Math-

Counting pirate treasure, building bridges and ramps, and graphing beach items are on the menu for math this week. We will finish out the year with some fun math activities to review what we have learned.

### Heritage Studies-

It is hard to believe that we are to the last week of school. We will spend the week discussing what we loved about kindergarten and what we plan to do over break.

Tuesday will be "Vacation" show and tell. The students may bring something to show the class from a vacation (i.e., a seashell, souvenir, stuffed animal, etc)

# Tales From the Classroom

May 18-22

## Memory Verse

Galatians 5:22,23

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control...

## Homework

No Homework this week

It has been a pleasure teaching your children this year. We have had so much fun together. Thank you for sharing them with me and giving me the opportunity to partner with you to help them learn and grow!

## Important Events and Reminders

May 21- Last day of school

Awards program for 1-6 at 7:00 pm

# Kindergarten Graduates
