REMINDERS:

This week, we will begin checking our planner's daily for parent signatures. If these are consistently not being signed, the student will not be able to participate in Fun Friday. Please get into a healthy routine of checking them every evening. If students do not finish any school work during the school day, they will be reminded to pack their work and to finish it at home that evening. This needs to be brought back on the next school day. Please remind your child to pack it when told and to check their binders for this work. Lastly, please have your student bring in a snack *daily* for snack time.
