### Star of the Week

This week our Star Student was Gideon. Gideon is a hard worker and enjoys making us laugh. We enjoy having him as part of our class. Only a few more weeks to choose Star Students.

Map Growth testing went well last week. I'm looking forward to seeing the progress the students have made.

This week will be normal week. We will have our normal spelling list and verse as well as a Science test. A study guide will come home on Monday afternoon. As time allows please go over this guide with them to be sure they are ready for the test on Wednesday.

As you see in the Dates to Remember, the 1st grade classes will be presenting a play called "Peter Rabbit". This play will be presented during the school day on May 19th at 9:30 am. You are invited to attend. We are diligently practicing for the play.

Have a good week!
