- **December 18<sup>th</sup>**- Carol Sing @ 9:30. Last day of the first semester.

### Math (Nash)

This week we will begin our last chapter of the semester. It is over inequalities.  
IXL: Students have 13 days until the IXL grade for the quarter will be calculated. They need 60+ skills to get an A+.  
Kick-it Multiplication: They also have 13 days until their kick-it multiplication grade is calculated for the semester. They need to be a “black belt” to get an A+.

### Science (Nash)

We are going to start our last chapter of the semester. It will be about stars. This will be the last chapter of the semester!

### ELA (Baker)

Reading: Sixth graders will dive into an adventure story titled “A Ride to Honor.” Throughout the lesson, they will focus on identifying the key elements of the plot.

English: We will continue our chapter on nouns and comma placement.

Word Study: The test over #6-10 is on Tues., Dec. 9th.

Jar of Books: Because class time will be limited in December, students will have free-choice reading. They may select fiction, non-fiction, or graphic novels. There is no page requirement, but books must be appropriate for their reading levels. If they’re unsure about a choice, they’re welcome to ask me.

### History (Newton)

We are traveling down the Road to Revolution as we study the various events and people that led to the signing of the Declaration of Independence.

### Bible (Baker)

For December, we will take a break from Proverbs and learn verses from Luke 2 about the birth of our Savior.

Memory Verse: The students will be tested over Luke 2:10-11 on Fri., Dec. 5th.
