Detective of the Week

In this section, I will list the name of the student who will be named "Detective of the Week." There will be special activities for the child to complete and share with the class. The first choice was supposed to be last Friday, but due to circumstances, it will happen this Friday.

Classroom News

Thank you for helping your child with the assignment notebooks. It's been challenging getting used to them, but every one is doing a great job. You should expect to see the days assignment written each day, even on no homework days. Please sign so I know that you are aware of each assignment.

The detective message will be in each newsletter. Once you had found it please write the message in your child's assignment notebook. I told the students that I would only check for the message on Monday or Tuesday. I figured that by then you would have read the newsletter.

Have a great week! *Mrs. Magee*

Reminders

PE: Class will be on Thursday – remember to send clothes in to change into

**** Please label any clothing your child wears to school. It helps when things get lost. Thank-You!**

**** We will be going outside as much as we can – please send in a water bottle with your child if possible, so that they can stay hydrated while we are outside.**

Unless you are good at guessing, it's not much use being a detective.
