Bible Verse

All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness.

2 Timothy 3:16 (ESV)

Math
(Nash)

We will begin Chapter 4 which is geometry. This week we will learn geometric terms such as ray, line segments, perpendicular lines, obtuse angle, etc.

Science
(Willeke)

Students will learn about plant reproduction. Students will discover the parts of plant reproduction and be able to identify the parts on a model.

ELA
(Baker)

English: We will review nouns and abbreviations this week.

Reading: The students will learn how to write Haiku poems. These poems are written about nature and have a specific syllable pattern. The students will write Haikus this week, focusing on their favorite aspect of autumn.

Weekly Words: No Test this Tuesday. The students will study List #8 for the test on Tuesday, October 15th.

History
(Willeke)

Students will review mesopotamia and prepare for a test on the land between the rivers.

Bible
(Willeke)

Students will learn the importance of defending their faith. They will learn how to defend the claim “what the Bible says is true.”
