

What We Will Learn This Week

Bible-

Before Jesus ascended to Heaven, he told his disciples they were to preach the good news of the gospel everywhere. This week, we will learn about the beginning of the church and Peter's sermon on the day of Pentecost.

Language Arts-

This week, we will read words with long O, including words with /oa/ and /ow/. We are practicing reading with expression and paying attention to punctuation.

In handwriting, we are working on capitalizing the first word in a sentence and the word I.

Math-

We will finish our measurement unit by discussing which tools are used for different types of measurement (ie, thermometers, measuring tapes, measuring cups, etc.).

Heritage Studies-

Summer is our next stop as we learn about God's Four Seasons. We will be discussing summer weather, clothing, activities, and animal behavior during summer.
