

## What We Will Learn This Week

### Bible-

Jesus often taught by telling stories. We will read and discuss some of the stories he told, including the story of the Prodigal Son.

We are working on memorizing the Lord's Prayer. Please help your student by reciting it at home a few times this week.

### Language Arts-

We will review digraphs and move on to words that end in \_ing. We will continue to work on reading fluency and comprehension.

In handwriting, we are working on writing sentences correctly, using a capital letter at the beginning and ending with a period.

### Math-

We will be comparing 2D and 3D shapes this week, identifying different attributes of each shape.

### Heritage Studies-

We will be reading about different places around the United States, including Hawaii, the Grand Canyon, and Luray Caverns. We will also continue to follow the Olympics, learning about sportsmanship, and keep track of the medal count.

Matthew 6:9-13

After this manner therefore pray ye: Our Father which art in heaven, Hallowed be thy name. Thy kingdom come, Thy will be done in earth, as it is in heaven. Give us this day our daily bread.
