

What We Will Learn This Week

Bible-

After a review of Jesus' ministry, we will begin reading about his final week on earth, starting with his triumphal entry into Jerusalem.

Language Arts-

We will continue learning about long vowels this week, focusing on li.

In handwriting, we will continue working on writing sentences correctly, using a capital letter at the beginning and ending with a period.

Math-

It is all about coins this week. We will be learning about nickels and quarters as well as using nickels and dimes to count by 5s and 10s.

Heritage Studies-

I am thankful that God gave us four different seasons to enjoy, rather than the same weather year-round. We are starting a unit titled "God's Four Seasons." We will start by learning all about winter.
