

What We Will Learn This Week

Bible-

We will spend the next couple of weeks focusing on the miracles of Jesus. This week, we will focus on the calming of the sea and the feeding of the five thousand.

Language Arts-

We will continue decoding words with consonant blends this week, with a focus on words with r and l blends. We will also be working on identifying the main idea in texts and making inferences.

Math-

Tuesday is the 100th day of school! We will celebrate by counting and completing activities using 100 objects. On Wednesday through Friday, we will practice counting large sets of objects.

Heritage Studies-

Little House of the Prairie was one of my favorite books as a child. Visiting Laura's homestead in DeSmet has been one of my favorite memories. I was amazed at the miles and miles of open prairie. We will read about Laura as we learn about the prairie and the animals that live there.

Tales From the Classroom

January 19-23

Memory Verse

Matthew 8:27

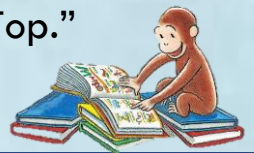

And the men marveled, saying, "What sort of man is this, that even winds and sea obey him?"

Homework

Monday- No School

Tuesday- Read "Clip, Clap."

Thursday- Read "Up To The Top."
