#### Classroom News

This week we will be celebrating our 100th day of school. We will be doing some special activities to commemorate the day. Students may bring in 100 items of something. I sent a note home last week in the paper folder regarding this.

We will be having our regular Mileage Club on Tuesday, so students will need their Mileage Club clothes.

Homework will be as usual. We will be having a spelling test, verse and a science test this week. A review page will be sent home ahead of the test..

I know these winter days get long, and we don't get the chance to get outside much, but encourage your child to continue to do their best in all their work.

Last week in chapel we learned another of God's names. He is the Savior. After sin entered the world, God planned to send Jesus into the world to pay the price for our sins. When we accept his gift of salvation, He is our Savior.
