Math, Science, & History:

- **Math:** On Wednesday, we will be taking the second attempt at iLEARN Checkpoint #2. We have been reviewing the material in small groups since the last test. This week, we will also finish the geometry chapter and review for the test. The test is on Friday, February 13th
- **Science:** We finished the Solar System chapter last week, so on Monday, we will work on the chapter study guide. The test will be on Tuesday, February 17th. We will also be completing an in-class project this week.
- **History:** Before we wrap things up and sign the Treaty of Paris alongside Benjamin Franklin, we will study Nathan Hale and Benedict Arnold, two spies of the Revolutionary War. There will be a test over the Revolutionary War on Wednesday, February 18. A study sheet will be given to the students.

Language Arts & Bible:

- **Reading:** We will focus on identifying the main idea and writing summaries this week. Also, a paper went home this week asking students to bring something to share with the class next Friday, the 13th, that represents a primary source from their family. If there is anything you'd prefer not to send, you are welcome to send me a picture, and I'll share it with the class as a slideshow. Please see the handout in your child's binder for more details. If you have any further questions, please let me know.
- **Vocab Test:** The students have their test on Monday. Please take some time to quiz your child on their vocab words. Their cards are in their zipper pouches.
- **English:** We continue our study of verbs this week.
- **Word Study:** Test over List #17 on Tuesday
- **Jar of Books Challenge:** Please encourage your child to read this month! Our Read-a-Thon begins on Monday, Feb. 16th. Any books read will also count toward our Jar of Books. More information on the Read-a-Thon will be coming home soon.
- **Bible:** This week, we focus on the "Roof of Character" for the "House of Truth" we've been constructing in our classroom.
- **Memory Verse Test Friday:** The students will practice Proverbs 3:1-12. If you want to be blessed, have your child quote this to you! They're doing a fantastic job memorizing God's Word!

Upcoming Events:

- **February 13th** - Bring Valentine's cards to exchange with the class and Reading Buddies. The students may bring a decorated box if they wish, but we will also supply bags for them to decorate.
- **February 16th** - Read-a-Thon begins! **No School** - President's Day
- **February 20th** - Grandparent's Day
