ACTIVITY-AT-HOME:

I am beyond proud of how hard the students all worked on their iLearn this past week! I am sure that they are relieved that it is over!

This week, we begin some fun topics! We finished our 'I Survived' reading novels and now we dive into the book 'Detectives in Togas'. It is a humorous take on solving crimes in Ancient Rome. To tie it all together, we will also begin our last Social Science unit on Ancient Rome. These will be exciting and I know that we are all ready to learn some new, fun topics!

Please check the weather each day and make sure your kiddo is dressed for the temperatures. Their short sleeved shirts and a light jacket for the AM is plenty. We have students getting very hot and weak after only a few minutes outside. No long sleeve shirts or long johns under their tops please. It will only get hotter over these next few weeks.

Thank you for your support this entire year. It has been an honor spending time with and teaching your children.
