

Hello Ghosts,

I am reaching out to let you know about our newly created Facebook page entitled "*531 Gray Ghost Squadron*". If you have a Facebook account, please take a moment to search for the page and submit a request to join. Membership is limited to those Marines who served in VMFA-531 and their spouses. To join, simply answer the four membership questions and you will be added to the group.

The decision to launch this new platform was made to complement our existing webpage, <https://531grayghostsquadron.org/>. The new Facebook page will be used to promote our Annual Reunion and our College Scholarship Awards through the MCSF and our own Second Chance Scholarship. We encourage you to continue participating on the "VMFA-531 Grey Ghosts" Facebook page, as it will still be used to promote events. However, the new page allows us to create a platform dedicated to our Reunion Squadron and preserving the legacy of the VMFA-531 531 Grey Ghosts.

We invite you to explore the new page and join us. Feel free to post photos of squadron aircraft, your deployments, and any favorites from reunions you have attended. Please keep all content related to the 531 Gray Ghost Squadron. Be mindful, posts about jokes, politics, religion, or broader Marine Corps issues are not within the scope of this group.

Semper FI,

Doug Winslow

Membership Committee
